This are was clean, but had some loose trash lying around. Hall is currently in the process of renovating her detached garage. This structure houses the cats and the larger dogs. One section of this structure was very clean and recently remodeled. I did not detect any repulsive odors, and the cages appeared to be clean. There is a fenced in area adjacent to this structure for the bunnies to play outside. This area had a lot of loose items that had been moved out of the garage during remodeling. Hall assured me that the area would be cleaner when I return for a follow up visit the end of March. Hall informed me that most of her animals are provided with care from Northwoods Vet, and she would be able to produce records as needed for my next visit.

Hall has been working diligently on reducing the numbers of animals at her residence, and she has improved the living conditions for her pets. A follow up will be completed. END OF REPORT.

VICTIM: n/a

SUSPECT: Hall, Gayle

On the above date, I(Deputy Poirier) responded to the incident location in regards to a follow up. Hall appeared surprised to see me, however I did remind her that the visit had been scheduled. There was no change in the amount of animals that she had at her residence. The outdoor area had been noticeably cleaned since our first visit, however the indoor space of the detached garage was the same. Hall indicated that her "contractor" was usually only available to assist her on the weekends. I advised her that I would be back on March 30, 2012 to inspect the premises (some areas needed to be cleaned of cat urine), and the conditions of the indoor area. I also advised Hall that I would need to see veterinary records on two cats that were noticeably ill. Hall informed me that she was dropping both cats off at College Park Veterinary Hospital after my visit. She was advised that I would like to see the 9 cats that she had caged roaming freely, for the cages appeared that they needed to be cleaned. There were two indoor cats roaming in the garage, and two feral cats outdoors (Hall stated that she would be getting them spade/neutered). All animals had clean water and plenty of food available. Hall stated that she still had her 501-b status in case donations come in, however she was no longer taking any more animals. A Follow up will be completed.
