[scstateparks](#) #DYK that Charles Towne Landing State Historic Site has Charleston's only 17th-century replica sailing ship? ↓ You can board the ship, the Adventure, while visiting the park. When you're done exploring - hop over to the Animal Forest to check out some animals that are native to Charleston during the time of settlement. Sounds like a fun day right!? 📍: @lewisfamcoast2coast at 12:00:15 on 10/09/2020 UTC
