Lisa Burley Eddings Way to go SC Parks, this a deal for a very few people. Most will either be working or shopping that day. Some of us were looking forward to the black Friday deals so we could afford to camp this coming this year. Will be looking forward to the 12 days of deals in December. Hopefully there will be some useful deals.

Laura Harden Kalyn Harden it's free!

at 21:09:22 on 11/19/2020 UTC

Suzanne Hart Very disappointing for those who cannot go to a state park on black friday. We will be grinding cane with family. I look forward to planning my next year's trip with those deals. Guess I'll wait to see what's offered on 12 days of deals or I just may have to spend more time in GA parks next year.

at 21:27:12 on 11/19/2020 UTC

Tom Bates Charlene Christian nor really. Learned about the deals too late last year. Some parks give half off deals during certain periods. Will try to monitor this year.

at 21:28:04 on 11/19/2020 UTC

Bianca Ulug Suzanne Hart I'm sorry that their promo doesn't fit with your schedule. I'm sure they'll change the date right away 🙄

at 21:33:14 on 11/19/2020 UTC

Lisa Burley Eddings Bianca Ulug I am sure it doesn't fit lots of people's schedule. One day is a joke!!!

at 21:35:32 on 11/19/2020 UTC

Suzanne Hart Lisa Burley Eddings I get the whole opt outside for that day but that actually has nothing to do with offering discounts for the next year. But from my understanding so many people are camping that they don't need to offer specials to get people to come. GA state parks didn't close at all with COVID and they didn't offer their summer promotion because they were packed.

at 21:45:16 on 11/19/2020 UTC

Rhonda Jordan Lisa Burley Eddings complaining about not getting something for free is a joke. They didn't have to do it at all. Check yourself.

Alex Leibowitz I really was looking forward to the half off camping deal since my family has participated the last two years. I'm glad we were able to camp at 18 different parks this way. I guess now we will take a break from SC State Parks.

at 15:42:22 on 11/20/2020 UTC

South Carolina State Parks Alex Leibowitz there will be camping & cabin deals and discounts on gift cards for camping and overnight stays during our 12 Days of Deals Dec 1-12.

at 16:21:27 on 11/20/2020 UTC

Marianne Croft We typically spend about \$800 on Black Friday with the half off specials. But I understand that you are a business and if people are booking anyways, it doesn't make economical sense to offer half off at this time. I love the SC State Parks and will continue to go, but probably not as often since I can't get the half off deals.

Lisa Burley Eddings Rhonda Jordan I wasn't complaining about not getting something for free I was complaining because not everyone will be able to take part in this deal. Because most people have to work on Black Friday. so if you have off Black Friday and you're not

going shopping for Black Friday then by all means please go use the free deal and get in free to your local State Park. But even if I did want to go I can't because I have to work all day that day, so y'all enjoy.
