We just returned from our final beach trip, and it was fantastic, but alas reality returns. If you all would communicate with him, then that would be great. His name is Bruce Barragan and his email is BBarragan@gmka.com

I don't have a phone but will get one if you want.

I appreciate it. I hope things are good otherwise.

I hope this email finds you doing well! I hope you and your family are having a great summer. Thank you for passing this along. Would you like for us to reach out to him to tell him know we have received his idea(s)?  
I don't see any contact information.

Thank you,  
Katherine

Hey, I hope that your summer's going well, last Thu notwithstanding. A friend of a friend has an idea for CON revision, and I promised that I'd pass it along to the governor's office. So, if you don't mind, I want to "pass it along" to the governor's office. The guy is a former CEO of McLeod, so he does have some knowledge, but I would imagine this makes the gazillionth idea that has been passed along. Anyway, if you don't mind receiving this on behalf of the governor's office, I'd appreciate it.
