Dear Gov. Haley:

First, I would like to say what a tremendous thrill it is to correspond with you. I have been a great fan of yours for years.

I'm sure you have read this many times, but you are a Great American Patriot. The attention you have brought to the Nation with regard to the mismanagement of the economy is vital and important. Your state is a shining beacon of capitalism and liberty in the Union.

I am also a big fan of your speech at the Republican National Convention. Your speech was very uplifting. It was something that I watched with my daughter.

I hope in the future you contemplate a run for the Presidency. You would make a great, and historic, candidate.

I know you have a very busy schedule, but I would really appreciate it if you could your enclosed autobiography "To Jeffrey". It would be a piece of memorabilia that I would treasure forever.

Thank you very much for your time.

Best Regards,
