**Subject:** SAVE THE DATE! 3RD Annual VA Mental Health Summit

Greetings from WJB Dorn VA Medical Center,

We are excited to announce the third annual Mental Health Summit which will be conducted on September 11, 2015 in Columbia, South Carolina.

This email is our initial "save the date". Detailed information with a registration form, agenda items and confirmed location will soon follow.

**September 11, 2015 from 9:00AM-3:00PM**  
**Columbia, South Carolina**

The 2014 Mental Health Summit resulted in personal and professional connections being made, education being provided about what services and opportunities are available within the VA and our community, and allowed us to explore and begin to problem solve many core areas that affect our active duty service members, Veterans, and their

family members. We look forward to diving back into these important topics with each of you who will be able to join us.

We ask that each community organization/company represented at the event to please bring a display for the Community Education & Networking portion of the summit. We will have tables set up for the event, but please bring your own display and/or brochures. It is also encouraged that each organization have one to two individuals in attendance, as one representative will be needed to manage the table while the other is encouraged to attend the other displays.

We encourage you to pass this “save the date” on to any interested parties that we may have missed in this initial email. Please feel free email Ms. Jean Hooper (Jean.Hooper@va.gov) or Dr. Amy LaClaire (Amy.LaClaire@va.gov) with any questions/comments/additions.

Thank you for your time and consideration of this important event.

Sincerely,

Jean Z. Hooper, RN, MN
