

Dear Mrs Governor Haley

My name is Tommy Jones I'm
Righting Because I've been trying
to get my disability or SSDI from
1997 until now. I have taking 6 mri
and take six shot in my back
Heat and cold pack. I've been to
hearing over time they say I'm
disable they turn me down
They send me to one ~~for~~
their doctor I told her I had
7-8 ~~the~~ disc in my back she
told me that there is no 7-8
disc. I show them paper she
said they are wrong. They told me
at the Social Security that
in order to get my money have
to divorce my wife. my wife
is getting her retirement she had
to come out of work she is a Diabetic
when we working together we
pad the bills together with she get
is what she work for. I work from 13
years old now I'm 54. when I got

out of work I could not
get unemployment they said I
have to be able to work then
last check I receive was 1997
when my wife pay the bills
we have no money. I work for
my money now I can't get
it. That not right I suppose
to leave my wife what kind
of law is that.

Your Truly
Johnny Jones
