Hey –

Katherine probably has a better handle than I do what this may entail ... but if not, I am happy to poke around. Just let me know!

Hey Katherine and Amy,

Do either of you know what this may entail? Van Cato has been sending her leads and this one stumped me as to what the job description may be.

Thanks!

What exactly would that be? It sounds interesting though.

Angie,

A friend of mine at the SC Senate asked me if I knew of anyone for a staff position with the Senate Transportation Committee. Would that be something Devin would be interested in?

Angie,

Orangeburg county economic development is looking for someone, might be a good fit, Gregg Robinson is from Hilton Head as well. I do not know Gregg very well. Since he is from HH, you might know someone that could reach out on behalf of Devin. Just a thought
