## THE PATRICK REPORT

### DONATE TODAY

#### Message from Andy

We had another great week on the campaign trail!

On Saturday, I was proud to join FreedomWorks for a candidate forum in Charleston where I unveiled our campaign's "Pledge to the Lowcountry," commitments I pledge to keep to you - the voters of the Lowcountry.

And just yesterday we opened our campaign headquarters in Bluffton! Dozens of supporters filled our new campaign office in Beaufort County to make phone calls and sign-up to stand with our growing campaign.

I am so thankful for all of your help thus far, and with just over one month to go until the Republican primary, this race is heating up! I need your help more than ever, and I hope you will join us to phone bank, write letters to the editor of your local newspaper, and make a generous campaign donation to our effort.

Thank you for all your help and I look forward to seeing you out on the trail soon!

God Bless,  
Andy

### **“Pledge To The Lowcountry”**

Far too often candidates make promises to the voters that they simply do not keep. I am a man of my word and I have prided myself on keeping the commitments I make. With this pledge that I introduced at Saturday's FreedomWorks candidate forum, I am committing to the people of the 1st congressional district that I will uphold our Lowcountry values of fiscal restraint, personal responsibility, and individual liberty in the halls of Congress. You can be assured that I will not take the opportunity of serving you lightly and I will strive to uphold this pledge to you each day I have the honor of serving in Washington, DC.

I, Andy Patrick, pledge to...

... Fight for a Balanced Budget Amendment to the U.S. Constitution that will cap federal spending at 18% of GDP and require a 2/3 majority of Congress to raise taxes

... Fight for a national FAIR Tax and eliminate the existing progressive tax system

... Fight for the expansion of school choice opportunities for parents to choose the best form of education for their children - whether that be public, private, religious, charter, or homeschooling

... Fight for a Personhood Amendment to the U.S. Constitution to give every American - the born and the unborn - the right to life, liberty, and the pursuit of happiness

... Fight for the reversal of any Sequester cuts to the U.S. military and find offsetting cuts and reforms to existing programs rather than diminish the World's greatest fighting force
