Rebecca,

I want to thank both the Governor and you for the award yesterday. It was quite unexpected and I was very moved. However, I have to say that any success I have had at SCEMD is entirely due to all the great people I have had the privilege to work with over many years.

I wish the Governor the best in her new position which I know she will excel in just as she did here in SC. I have worked with some outstanding leaders in both the Army and in civilian life in the last 40 years and she is on top of the list. She will serve our nation well at the United Nations.

Hope you have a great Christmas! And that everything is quiet!

Best regards,

Kim
