Subject: RE: Gov. Haley supporting Trump?

Not new.

"Despite backing Marco Rubio for the Republican nomination, South Carolina Gov. Nikki Haley says she would support Donald Trump if he emerges as her party's nominee. 'We've said that we would support the nominee if they get the nomination,' Haley said. <http://www.politico.com/blogs/2016-gop-primary-live-updates-and-results/2016/02/nikki-haley-donald-trump-marco-rubio-219848>

"South Carolina Nikki Haley says she will support the Republican nominee for president." <http://wspa.com/2016/05/04/sc-gov-haley-i-will-support-the-republican-nominee-for-president/>

"Gov. Nikki Haley said Monday that when she's given the choice between former Secretary of State Hillary Clinton and businessman Donald Trump for president, she has to side with Trump." http://www.postandcourier.com/politics/gov-nikki-haley-says-trump-still-wins-out-over-clinton/article_42d57b1a-bd66-5cbc-af8c-03d8429ce7c2.html

"Haley was until recently taking a hiatus from commenting, directly or through spokespeople, on the latest incendiary remark from the GOP presidential nominee with whom she has repeatedly clashed in the public arena. She gave no indication, however, that she's changed her mind about voting for him in less than three weeks." http://www.postandcourier.com/news/gov-nikki-haley-calls-donald-trump-s-notion-that-election/article_2f840da8-96db-11e6-8a35-5be4d5a30201.html

Hi Chaney and Derrec,

Is this a new position or has she been supporting him all along but denounced his comments?
