Chaney please handle getting this squared away. Begin with having Nicole put the request through the scheduling process.

Hi all,

I know the past few weeks have been crazy for you, and I'm so sorry to bother, I just wanted to catch the Governor before she left on vacation.

As we had discussed down in Charleston last week, we were hoping since Gov Haley wouldn't be in SC on July 4th, she would be willing to send over a video discussing why she is a Proud American and what America means to her personally. It can be as long or as short as you wish. There's also no need to go to a studio for this, you can just email or use dropbox to send it over. We plan to use this video in our promotion and coverage of the FNC event.

Here are the details if any of you all want to join in on the fun:

*"Fox & Friends" will be live from Patriots Point starting at 6amET through 10amET with "Fox & Friends First" co-host Heather Childers. Heather will also be going live throughout the day from Patriot's Point and will have people share and show off why they're a #ProudAmerican.

*We're looking for a big crowd starting at 6-6:30am to show off on Fox News Channel. The benefit of arriving before 8am: free parking for the big Patriots Point fireworks event! Also, free BBQ.

*At 9:30amEST, the Salute From the Shore program will conduct a flyover with vintage military planes over the U.S.S. Yorktown

*In addition, military scholarship program Folds of Honor will be there bringing awareness to their amazing program and signing up military families who have lost or had someone injured in battle for scholarships

*At 2pm, former WH Press Secretary under President GW Bush Dana Perino will speak on why she is a Proud American.

*Following the speech, Dana will be selling and signing her new book "And the Good News Is..." until 4:30-5pm

*Starting at 4pm, the official Patriots Point party begins. More details on that here: <http://www.moultrienews.com/article/20150613/MN01/150619956/1014/MN>

Thanks again for your help in putting this together. We think it will be a great addition and showcase why Charleston is home to some very #ProudAmerican s!!!

-Sam
