Dear Sir

Only after my letter attached was I told by Governor Nikki Haley's Representative Lesia Kudelka at H.R. SC. gov. that I had to send a copy of these complaint letters to the Communications Director of Embudsman. I do apologize for a late but not to late letter to you about a major problem with a Therapist that severely damaged my left knee on the first visit to my home (see attached reports) employed with Palmetto Health Home Care. See Copy of Patient Information also note the name of a Great Therapist named Ashley Dorsey who did help me after the therapist that damaged my left knee on her first and only visit to my home her name is also on the cover. Iwonna Gasiorowski the incompetent therapist.

I need you Director and or Governor Nikki Haley and Representative to get me cleared for surgery. God knows I tried and was turned away many times because of the cover ups mentioned in my letters.

The Doctor of my choice and was turned away
because of the slander mentioned in my
letter. If you can get me an appointment with

Dr. Christopher Mayone
U.S.C. Orthopedic Surgeon
2 Medical Park Rd, Suite 19
Columbia, S.C. 29203
Phone 803- 434-6812
Fax 803. 434-3878

to have my left knee repaired you have my
permission to have a copy of the damage and
surgery needed to remove the pain and suffering
I have been in for two years and return to
a normal life, I will greatly appreciate your
help to get me back to normal.

Sincerely

Richard E. Sinnott
