Katherine,

As of now, we don't have two others. Last I talked to Michael, he was going to put he, Allen Amsler and I in a group with one other and Sean would just be assigned to another group. We may have one more who Sean will want with him, but we won't know until Monday. I will let you know ASAP.
Thanks!

Mike

Mike,
Hope all is well!
Below is the information I have for Ben Arnold for the First Gentleman's Invitational.
The handicaps and sizes are from last year - please update if they have changed.
Please email me the other players – name, title, handicap and shirt size. I look forward to hearing from you.

Please let me know if you have any questions. Can't wait to see you in HHI!

Thank you,
Katherine
