The Honorable Curtis M. Loftis, Jr.  
1200 Senate Street  
Wade Hampton Building  
Columbia, South Carolina 29201

Dear Mr. Loftis,

I recently received the enclosed letter from your office. I did not accept anonymous correspondence as a member of the General Assembly, and I see no reason to accept anonymous correspondence in my current public position. I am happy to receive this correspondence when it is signed, and I return it to you for that purpose.

I would note for the record, however, that your rejection (I presume that not every single person in your office was consulted) of my assertions and conclusions is irrelevant. The General Assembly will decide whether or not to allow you to use the retirees' trust fund in this manner.

Should you wish to discuss this further please feel free to call. I look forward to a meaningful positive discussion of the issues.

Sincerely,

Greg Ryberg
