I realized last night that we covered all the other items, but not the Home and Community Based Services bit. Need 60 seconds to talk, whenever you get a window. Your voicemail box (voice mailbox?) is full. I sympathize. Thanks.

Hey,

I ran into Bob Toomey late last week, who said he was about to submit numbers to you about what to do with the pharma settlement money you were gonna kick to him. Do you have anything you can relay to us on that front, so that we can make sure we have it in the book?

Also, I've got a 10:30 meeting, but other than that, is there a time today when we can talk for about 90 seconds about Home and Community Based Services, over at the Lt Gov's office? Thanks.
