Hi Katherine,

Here's the most up-to-date list we talked about. The prospect list is also under the tab "Project Suggestions," so let us know if you have questions on that. Again, several of these people probably won't be able to come or wouldn't golf, so I don't think it will end up exceeding the 10 slots. Do you think you could send over a copy of the A-list invitees asap, along with the letter you sent? We want to be prepared for questions. If you have the B list ready, we'd love to get that, too. We'll be sending the invites soon, hopefully in the next day or 2. Thanks, happy Wednesday!
