Andy,

As requested on Friday, I have attached the information DSS has received from Casey Family Programs regarding the workload study. Please let me know if you need additional documentation. If you have sufficient information from the attached, can you prepare a counter to the Plaintiff's workload study provision to include in our response Settlement Agreement.

Thanks, Holly

Tina,

Can you please send me all of the written materials you or anyone else in the workgroup has received from Casey regarding the workload study.

Thanks, Holly
