GOVERNOR

1205 PENDLETON STREET
COLUMBIA 29201

Dear Friends,

On behalf of the people of South Carolina, I am pleased to welcome you to the Clarendon School District One Project AIM Culminating Program.

It's a great day in South Carolina as students, educators, artists, and members of the community come together to celebrate the rewards of arts integration in the classroom. With the theme, "Our A.I.M. is Art," this program is an opportunity to showcase your collective achievements in both artistic and academic disciplines. We are also honored to welcome legendary musician Fred Welsey as Keynote Speaker. The widespread community support, from Central Carolina Technical College and the Clarendon County Fire Department to Harvest Community School and the Charlie Bates Solar Astronomy Project, is just phenomenal, and all should be proud of what you have accomplished as a whole.

I would like to thank you for your commitment to the success of our young people, and I look forward to hearing more great news from Clarendon One in the future! God bless.

My very best,
