Swati and Katherine,

Campsen asked me to see if the Governor's office would mind sharing a photo or two of the press meeting in the Statehouse last year where the Governor talked about ethics reform and invited a number of legislators to stand at the podium with her. I think Senator Hayes and Attorney Generals McMaster and Medlock might have spoken too. A picture would preferably include Senator Campsen.

He would like to use it on his facebook page as an update for this week's ethics hearing. Would that be ok?

Thanks for your help,

Brett
