Hello,

I'm reaching out to you all on behalf of my mother Josephine A. Johnson whom had her home renovated through one of your programs (U.S. Department of Housing). As you can see from the attached letter from her insurance company we're in need of the details of the work done to her roof so that we can dispute what's being stated by her insurance company in order for them not to drop her coverage. If you all are disputing what the insurance company is stating than please provide the details so that my family and, I can present it to the powers that be in order to get this resolved.

My Mother is:

Josephine A. Johnson

424 Saddlefield Rd.

Columbia, SC 29203

I'm her daughter Priscilla Eskew:
