[Don't Take Your Eyes Off Vermont: Gobeille v. Liberty Mutual Insurance Company](#)

Vermont is at work to hold down costs and reform payment and delivery systems. The Green Mountain Care Board (GMCB) is engaged in comprehensive efforts to control health care costs; the state requires all individual and small group insurance to be sold through the state's insurance exchange, there are well-established integrated delivery systems, and a history of action to improve population health. But today there is an emerging issue of interest to all states – the challenge to Vermont's ability to collect claims data from self-insured plans in a case pending before the Supreme Court: *Gobeille v. Liberty Mutual Insurance Company*.

National Academy for State Health Policy

The National Academy for State Health Policy (NASHP) is an independent academy of state health policymakers who are dedicated to helping states achieve excellence in health policy and practice. A non-profit and non-partisan organization, NASHP provides a forum for constructive work across branches and agencies of state government on critical health policy issues. For more information visit www.nashp.org.
