I am in need of immediate assistance due to mildew/mold in my apartment. I live in Housing Authority of Lake City South Carolina. I have contacted Housing Authority about the issue only to be told they going to have someone come out. I have spoke to several persons in Authority regarding this matter. I have spoke with the executive director Ronald Poston, the City authority Board, the City administrator, the Mayor Lovith Anderson, Jr, Red Cross, FEMA and I spoke to the senator of South Carolina briefly Ronnie Sabb, HUD person in Columbia Bailey and Keith Landrum Revitalize specialists of Columbia. Can you please assist me in this matter. Thanks
