scstateparks Mid-July through mid-October heralds the hatching season of our loggerhead sea turtles! Come join us at Edisto Beach #SCStateParks as we check previously hatched nests for hatchlings left behind. This is your best opportunity to witness (and photograph) baby sea turtles in the daytime! Call 843-869-4430 for more information!

bad.jss.mama I took my 7yr old to watch the "Turtle Patrol" inventory and release 8 babies! It was wonderful!

Highly recommend!
