Is there some sort of event associated with Samuel's visit?

Hello Brian,

I received a call from Mr. Victor Love, father of Samuel Love who is becoming known across the country for his generous spirit. Samuel began by raising and donating toys to children who have been devastated by natural disasters - first after hurricane Sandy and most recently in Arkansas. Samuel and his mom and dad would like to come to SC with a plan of donating and distributing 3800 toys to SC children affected by the storms. Here's a link to his story on the Today Show.

They'd like to come December 18th and I was sure the Governor would want to host him. Mr. Love's contact information is 773-908-7431, victorlove007@yahoo.com.

Thanks!
Marilyn
