Dear Brian:

I am writing a story about the underfunded state pension system and the efforts to fix it. I hope to finish the story this week

I have read several articles, and it sounds like a mess, but hopefully can be fixed. I understand there is a hearing in Columbia on Tuesday, which I hope to attend.

Gov. Haley is chair of the State Fiscal Accountability Authority.

Can you help me by briefly answering a couple of questions.

- How did we get to this point?
- Who is to blame?
- Why have previous efforts to fix the shortfall failed
- What is your proposed solution?
- If it's not fixed, how will employees suffer the consequences?

Thank you,

Bob Montgomery
