Thanks so much! We would really LOVE to have a letter from Gov. Haley congratulating us on our 100th anniversary. All letters will be framed and placed on display for the public at our event on March 12th.

Dear Priester,

The Ocklawaha Chapter of the Daughters of the American Revolution will be celebrating our 100th anniversary on Saturday, March 12, 2016.

This event will take place at Osprey Lodge in Tavares, Florida and is open to the public. State, national and local officials will also be in attendance.

It would mean so much to us if we could receive a letter of congratulations from Gov. Haley from the great state of South Carolina. Would that be possible?

We have received letters from various Governors from across the United States. Our hope is that we will have one letter from each state. Only a few states aren't represented at this time, and for obvious reasons, each of the original 13 Colonies holds a special place in our hearts.

Thank you in advance for your participation. If you have any questions, I can be reached at the address and phone number below.
