Hello! My husband and I finished our Ultimate Outsider at Hunting Island on June 20, 2020. Bre Covington, the ranger at HISP, took our photo and I was curious if I could get a copy of that photo emailed to me for our memories. I never saw the photo posted on social media so I wasn't able to download it (my original plan). I don't need the photo posted to social, but is there a way I can still have it for our memories? Thanks so much! Cara Brewton
