Hi Kyle

It was nice talking to you and I look forward to resolving this matter since talking with you I have been at the Southeastern Spine Institute in Mount Pleasant getting some surgical procedures I have been able to find some of my information even though this matter has been going on 2 years ago what is the best way to get you this information

I also also have lots of text messages do you have a cell phone number I could forward you these text messages and correspondence with mr. and mrs. Kramer acknowledging their baseless accusations how should I forward them to you should I make copies of them email them to you okay thank you Nick

I hope that we apply all this information and documentation clearing me from all your findings and give me a fair

I feel this matter has gone on for a long period of time as I said I will be forwarding you documents that prove that I am disabled at this point and no longer in business

I hope I will be looked at as an individual who is innocent until proven guilty I don't feel that has been applied as of yet it looks like nobody paid attention to my response and if so if they had a question they should have reached out to me and I would have communicated back .

It has not been easy finding documentation from 2 years ago especially since I'm out of business for a year-and-a-half now and also since MyHealth has been eroded and me taking medication that keeps me from focusing and being able to do the things I used to do

I do not feel I have been treated fairly and properly I look forward to getting you documentation

Nick

Mr. Katsanos,

It was nice speaking with you this morning, and I apologize for not getting back to you earlier, as I was catching up with being out of the office yesterday. Please forward any documents you would like for me to have regarding this case, and I will provide them to the review committee. Feel free to either email, mail, or fax them to me, whichever method is most convenient for you.

Thank you sir,

Mr. Katsanos,

I hope this email finds you well. I wanted to follow up with our discussion a couple of weeks ago regarding the voluntary surrender form you received. Please find attached a cover letter and consent agreement (in the

same PDF) for your review regarding this matter. The cover letter explains the various options you have at this juncture. This cover letter and consent agreement will also be mailed today to your address on file with the Department of Labor, Licensing and Regulation. If you have any questions or concerns, please don't hesitate to contact me.

Thank you,
