MiSeon,

Thanks for reaching out. We always appreciate hearing from the network.

Unfortunately, Governor Haley doesn't have any availability to talk about Virginia's hurricane preparations, but you might reach out to Governor McAuliffe's team.

Let us know anytime we can be of additional assistance.

Good morning Rob – I hope this email finds you well.

I wanted to check with you to see if the Governor would be available to join us on CNN this evening in the 7pm hour to talk about the preparations the state of VA is making for Hurricane Joaquin.

We are happy to pre-tape or take her by phone this if that makes things a little easier – as I can imagine the Governor has a packed schedule.

Please let me know if her schedule will permit and I would be more than happy to set this up and make arrangements.

Thanks so much and I look forward to hearing back from you.

Thanks.

Mi Seon Lee
