Hello! We're getting married on 04/16/2022 and would love to hear more about your services and availability. We're expecting 101-150 guests at our wedding—does your venue frequently host weddings of this size? Thank you!

Hi Jayna - thanks for reaching out to us! 100-150 is a very comfortable and common number for events here! Unfortunately, we already have an event booked for Saturday, April 16th 2022. Are you flexible with your date?
