## South Carolina State Parks

at 14:20:56 on 3/31/2010 UTC · 

So, I have ventured out to Charles Towne Landing today -- a GREAT park for a day trip during spring break -- especially for kids. A place where they can have fun and learn about SC at the same time. It is THE SITE of the first English settlement in the Carolinas -- the birthplace of SC! How cool is that? And you can still visit and see what life was like in 1670!
