Subject: That dreaded monthly report!

OK – I just learned that Sheila normally updates the report template and you fine folks go in and update your areas – so that’s what we’ll do!

And for Tiger 1 (Mr J.D.) I also learned we include the Subdivision Communication log. There was not one that I saw on the December report so let’s make sure one is attached that gets us current.

Thanks

Mike West, CMSgt(Ret)
