

att: Governor Haley,

From my name is Mr John A. Suber # 300143, I'm currently housed at the York Co. prison serving a (4 1/2) years sentence for nonviolent offenses. I'm contacting you to request your intervention and administrative assistance. I've recently inquired about the furlough program within the Dept of Correction however I never received a response. I'm confident that I qualify & will meet any criteria. I'm requesting that you speak with your SCD Agency Director in concern of my eligibility for this program. As you are aware South Carolina's prisons are very overcrowded due to an overwhelming amount of non violent offenders who could be released to alternative programs rather than continue to be a tax burden on the state taxpayers.

From in closing I thank you in advance for any assistance you can offer.

John A. Suber #300143
