Nathaniel Beck Slightly offended that Kings mountain is only listed for horse trails, like there's nothing else to do there but to ride horses there. The friends group of kings mountain would be proud since it seems that all they care about it horses.

Sara Spence Nathaniel Beck Kings mtn. had the cleanest bathrooms by far of all the ones I have camped at. Their host families also some of the sweetest.

Nathan Robinson What kind of o survey gives you limited answers to choose from? We spent a great deal of time last summer visiting state parks all over the state and the ones I would pick aren't on the selected answers. Why is that?

Michelle Little I have to pick Jones Gap as my favorite but it needs more parking.
