Great, I'll get this all distributed tomorrow. I'll track each office's reception of the materials we give them, and their willingness to write to DHS, and keep you posted. If we have any tough sells, I'll let you know Marcia, and perhaps you can schedule a meeting with them while you're in town.

Thanks,

Blair

Blair and Scott,

Attached are the Real ID materials. I have included a letter from me to each member of the Congressional delegation outlining the issues, a sample letter that the Congressmen and Senators can send to DHS if they choose, and a fact sheet detailing our concerns and recommendations.

Blair, please e-mail the documents and hand deliver hard copies. To answer your previous question, I think that folders will work well. Please review the documents, and if you have any questions or issues, let me know. I will not be in the office for the rest of the week, but you can reach me by cell phone at (803)206-0156.

Thanks for all of your help. I will be in Washington April 20-22 for an AAMVA board meeting, and if I can be of any assistance, please let me know.

Thanks,

Marcia
