Another thought -

DSS, can you insert where it makes sense the date we submitted the waiver to FNS and the date we anticipate a decision.

DEW, can you insert where it makes sense the date your E&T plan is due and when you anticipate approval.

Thanks

Holly,
Thank you so much for drafting this one-pager. Our team has reviewed and we have made one tweak to Question #3 (attached). We have no other revisions and think this answers all the questions we have received so far. Let us know when it is final and we will use to respond to inquiries on the subject.
