Subject: Home Care Rule Webinar Rescheduled

The NRCPPDS Home Care Rule Webinar: *FLSA Emerging Issues* has been rescheduled for Thursday, November 12th from 3-4 PM (EST). This webinar was originally scheduled for Wednesday, November 4th at 3 PM (EST).

We are expecting to receive significant new information related to compliance and practical implementation issues related to the Home Care Rule. This information will not be available by November 4th, but should be available by November 12th. In order to ensure you will receive the very latest information related to Home Care Rule compliance, we are rescheduling the webinar for next week.

(If you already registered for the November 4th webinar, you have been automatically registered for the November 12th webinar. Please email info@participantdirection.org if you have any questions or concerns.)

Single user registration is \$25 and group registration (with unlimited participants from a single organization) is \$200. NRCPPDS FMS and Program Members can attend these webinars free of charge.

To register: click [here](#) and select "Webinar". After you submit your payment, we will send you a confirmation email with the log-in information. If you are a NRCPPDS member, please email membership@participantdirection.org to register rather than using the link above.

If you've missed any of our previous Home Care Rule webinars, you can purchase the recordings and slides [here](#) and select "Recordings and Slides". (If you registered for these webinars, or are a NRCPPDS Member, email info@participantdirection.org to access these materials at no cost.)
