Subject: wish list for the Kingstree DMV office

Hello,

This is what I would like for the Kingstree office and possible in this order:

NEEDS:

1. CDL COURSE PAVED OR REDONE (Because I have grass growing on the painted areas of the course and the course has deteriorated so much that it is just basically gravel)
2. NEW MOTORCYCLE COURSE (Still have the old one that is mostly gravel and unsafe)
3. PAVE THE ENTIRE PARKING LOT (Mostly gravel and can't see the lines for the parking spaces and it has pot holes)
4. NEW COUNTER CHAIRS FOR EMPLOYEES (They are wobbly and the seats are worn and tearing, and we still have one of the very old ones on the front counter that is yellow and does not match the office)
5. NEED 6 NEW OFFICES CHAIR FOR THE BACK OFFICE GUEST (Instead of the lobby chairs that I am currently using)

WANTS:

1. A new table for the break room the one that we have is starting to break apart in places.
2. A custodial crew that would keep my office clean, instead of always having to say something about it.
3. Need to remove the blinds from all the windows and just place some dark tint on them.

Thank you
Ivy Jordan
