---

Shelia,

Thanks for the follow up to Ruchelle. SCLS can provide you with a copy of your contract, but the responsibility for creating a corrective action plan and ensuring that you use your funding and for meeting the requirements of the Older Americans Act and following the Legal Services Standards falls to you. The plan is your plan...and you will use it to ensure that the contractor does what you instruct. You will need to submit your plan because it includes many tasks, including all of the activities that you will sponsor/participate in to ensure compliance.

Regards,  
Cat

Dear Ms. Lewis, Mr. Shifflet, and Ms. Welch:

The LGOA would like to inquire about the Corrective Action Plan for Legal Services. A letter requiring a corrective action plan due to non-compliance with the Older Americans Act was provided to Ms. Welch at the AAA Director's meeting on October 29, 2014. The deadline for submitting all documents and/or plan was November 17, 2014. As of today, the LGOA has not received Caresouth's plan.

Please advise on the status of the Corrective Action Plan.

Thank you for your continued partnership in our mission to enhance the lives of seniors and adults with disabilities in South Carolina.
