**Subject:** Reminder: Open House for the Camp Hall Rail Project!

---

Hello,

Palmetto Railways is planning for the proposed development of an industrial rail line to serve the Camp Hall Commerce Park in Berkeley County, South Carolina.

The new industrial rail line will connect Camp Hall Commerce Park to existing railroad right-of-way, near the Santee Cooper Cross Generating Station in Berkeley County. Palmetto Railways will construct, own and operate the rail line, which is expected to open the door to greater economic development efforts at Camp Hall Commerce Park for the benefit of the State of South Carolina.

As a reminder, we are holding a community kickoff open house to address issues, opportunities and potential impacts from this project.

**Date:** Tuesday, April 5, 2016

**Time:** Anytime between 6:30 to 8:00 p.m.

**Location:** Cross Community Center, 1690 Old Highway 6, Cross, SC 29436

Although there will not be a formal presentation given at the open house, project study area maps and a draft schedule will be available for review. Representatives from the project team will also be available to discuss the project process. Those who are unavailable to attend the meeting in person will be able to visit an online meeting at [www.palmettorailways.com](http://www.palmettorailways.com) between March 29 and April 19. The online meeting will allow individuals to provide comments and ask questions. We will email you when it is available.

Very best regards,  
Jeffrey McWhorter  
President & Chief Executive Officer
