Darrell,

So sorry it has taken me a few days to update regarding Mark Coleman... we have been unusually busy here (a very good thing). Mark is in the process of enrolling in WIA to obtain his GED. He attended the SC Works job fair held at Tri-County Technical College in Easley on 12.13.13. Mark reported he made 2 good contacts, one with HTI and the other with Fluor Daniels. He will visit HTI to complete their application process and is waiting to hear back from Fluor Daniels. During our meeting, we reviewed his email inbox to see if there were any new messages from employers. Unfortunately there were no new messages. On the bright side, his wife has been hired with Pickens Country Board of Disabilities and Special Needs and will reported began employment 12.15.13. I will meet with Mark again on Monday and review his progress toward entering the WIA program. We continue to search for work for which he is qualified and I will keep you posted.
