Subject: RE: SLED MOU

Just so you know, I'm not forgetting or dropping the ball on this. On the 19th I called and spoke to Director Hamm - he said he was in a meeting discussing the MOU and would call me on the 20th in the morning. I did not hear from him in the morning so I left a vm in the afternoon on the 20th. On the 21st I hoped he would return my call and then the weekend happened, and now today I've tried to call again and had to leave another vm.

Subject: SLED MOU

Danny, I am about to follow up with Steve Hamm on the SLED MOU, but before I do I wanted to see if it was at all discussed during last week's meeting and if so what was said, thank you.
