### WATCH LIVE: Drug Policy Reform Conference

Last April, the Obama Administration announced a science-based approach that addresses drug policy as a public health issue, not just a criminal justice issue. The [2013 National Drug Control Strategy](#) is built upon the latest research demonstrating that addiction is a chronic disease of the brain that can be successfully prevented and treated, and from which people can recover.

Today, ONDCP is hosting an extraordinary gathering of leaders at the White House who are putting these policies into action.

**Please join us at [Whitehouse.gov/live](http://Whitehouse.gov/live) or [click here to watch live](#) starting at 9:00 am E. S.T.**

You can also follow the conversation on Twitter using #DrugPolicyReform

Thanks,

Gil
