

Ms. Sue Cooper (Office of GovNER)

Enjoyed The few min on 11-30-15 at 8:50 AM
and you tactfully Told me I WAS NOT going To
get an appointment with Her Hiness.

my dad ERNEST and myself were born in EAM Claire
and grew up There so That means I have more Than
earned The right To ask The next Question.

Being That HER HINESS NO longer has AN open DOOR
plan Then I want a meeting with The ENTIRE
House - Senate and Her Holiness. I would Like To
Talk about The last 20 years of Trying To deal with
State, County and City Government Jokes and I can
prove. Please LET me explain.

When you have an answer for me please contact
By MAIL and my cell phone Number which you have
and never used in The last year, even when Asked!

Please Tell Ms. HALEY That I will Tell anyone
who will Hear That when she Runs for V.P. NOT
To vote for her because she Has be come a Profession
REPUBLICAN! And That is as bad as A PRO
DEMOCRAT! GOD PLEASE SAVE THIS COUNTRY!!!!
