Subject: Please support my Thunderclap

Hi, I'm Liam Gray.

I'm asking for your help to support a new Thunderclap campaign I've just set up.

Dr Kershaw's Hospice provides special care for patients suffering with life-limiting illnesses in Manchester, UK. Don't worry, I'm not asking for money - just your help with spreading the word!

It would be great if you could help support my Thunderclap, by simply signing up with your Twitter, Facebook or Tumblr account. If we reach our target of 250 people supporting the campaign, an automated message will be sent out from all signed up accounts, telling others about the project.

It will take less than a minute of your time to sign up, and is completely free.

If you'd like to help, please follow this link:

Thank you for your time,
