Under the South Carolina Freedom of Information Act, §30-4-10 et seq., I am requesting records of all email correspondence between South Carolina Governor Nikki Haley and all members, surrogates and representatives of the Donald J. Trump campaign and transition team between October 22nd, 2016, and November 29th, 2016.

If there are any fees for searching or copying these records, please inform me if the cost will exceed \$15. However, I would also like to request a waiver of all fees in that the disclosure of the requested information is in the public interest and will contribute significantly to the public's understanding of government and I am a freelance journalist who regularly writes for a number of national outlets. This information is not being sought for commercial purposes.

The South Carolina Freedom of Information Act requires a response time within 15 business days. If access to the records I am requesting will take longer than this amount of time, please contact me with information about when I might expect copies or the ability to inspect the requested records.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Please feel free to reach me by phone at 919-418-0817 if you have any questions.

Thank you for considering my request.

Sincerely,  
Spencer Woodman
