Bills included in House Education Reform package

- 1) H. 4783 - Redefine the expectations of a South Carolina high school graduate
- 2) H. 4781- Recreate the Education and Economic Development Coordinating Council to allow the business community to work with K-12 and higher education to ensure our students are college and career ready
- 3) H. 4780 - Eliminate outdated statutes to promote efficiency and cut unnecessary expenses. State Department would be required to offer technical assistance to struggling districts
- 4) H. 4779 - Create an Office of Transformation under the Department of Education with the purpose of reviewing lower performing school districts' plans and report back to the General Assembly with best practice suggestions
- 5) H. 4776 - Establish a process with recurring revenue where struggling and poor school districts can petition the state for facility infrastructure needs
- 6) H. 4778 - Call for uniformity in school accreditation
- 7) H. 4782 - Conduct a survey to determine what incentives could entice new teachers to live and work in rural, lower income districts
- 8) H. 4777 - Allow the state to take control if a school district is failing financially
