The Honorable Nikki R. Haley,

I am writing to inform you, that I am resigning as Clerk of Court for Union County effective December 4, 2015. I have been offered a position with United States Representative Mick Mulvaney's Office. I believe this opportunity will not only allow me to better serve the people of Union County, but also the people of the 5th Congressional District. I will be available to assist however needed to ensure a smooth transition for the office.

My time as Clerk of Court has been very enjoyable. I will miss my job and my incredible staff. I have had the pleasure of working with some great people during the past six years. I would like to thank you for all of the support that you have given to me and the people of Union County.

Sincerely,

A handwritten signature in cursive script that reads "William F. Gault".
