I called Rob about this. You mind giving him a copy of the auto-cut list of now-unfunded statewide revenue projects? I referred him to it, but in a mtg and can't get copy right now. Thanks.

Rob,

Just checking to see whether you all have any idea as to what funding cuts may have to be made in order to right the deficit we'll be talking to the governor about this morning? Or do you have a list of potential cuts that the governor would like to see go?

Just trying to plan out some graphics for my package tonight.

Thanks for lining this up!
